

Purpose Consulting

Operationalize Purpose along the vertical value chain

Initial Condition

» **Our world is fundamentally changing** - faster than ever, stronger than ever.

» „Without a **sense of purpose**, no company can achieve its **full potential**” - Larry Fink (CEO Black Rock)

Results

» **Embedded purpose** throughout the whole organization and into everyday tasks

» **Strategy and decisions** are constantly **aligned with purpose**

Approach

“FROM PURPOSE TO EMPLOYEE ENGAGEMENT”

Purpose
Activation

Align/Build
your Strategy
with purpose

Individual
Strengths
Coaching

Build Team
based on Team
Strengths

Purpose Consulting

Operationalize Purpose along the vertical value chain

Success Factors

Activate Purpose

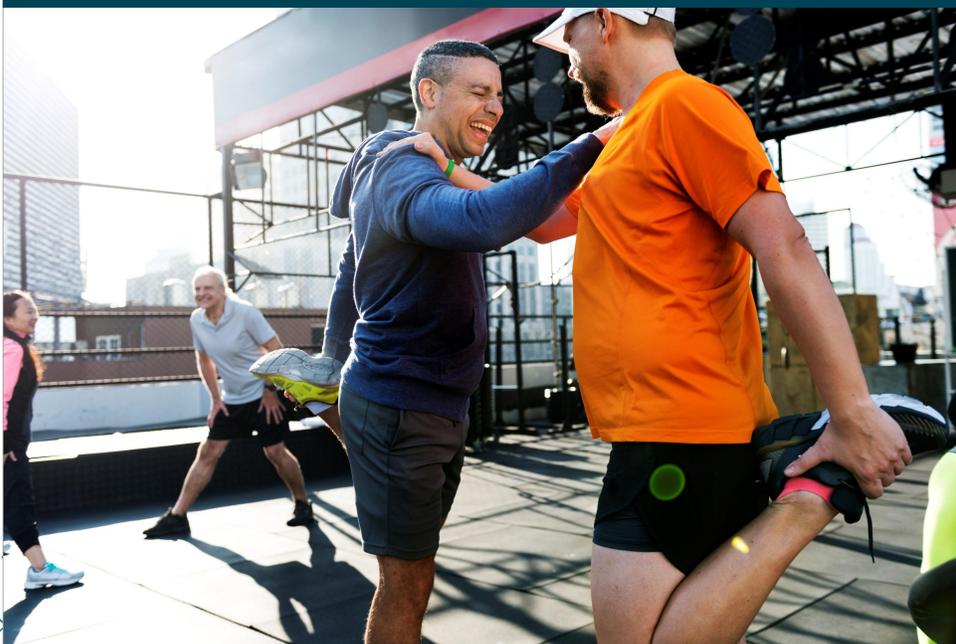

» Excavate the company's purpose and activate it along the vertical value chain

Align Purpose and Strategy

» Purpose is your company's DNA and as such the cone of light which ensures one common overall target

Individual Strengths-Based Coaching

» Understand your strengths and get coached regularly in order to utilize your talents best to master challenges

Team Strengths Workshops

» Understand how the strengths and talent structure in your team is and leverage on the team's unique DNA
